BOND UNIVERSITY SPORTS CENTRE GROUP EXERCISE CLASS GUIDE

AQUA FIT EXPRESS (35 minutes)

An epic session of 'pool meets boot camp'! This high intensity, low impact workout combines land and aquatic-based exercises, and will leave you refreshed and recharged. Please bring your swimwear, hat, sunglasses and shoes.

BOX X TRAINING (1 hour)

A combination of intense boxing drills, dynamic strength exercises and a killer cardio workout. All fitness levels are welcome but be prepared to be pushed to your limits!

BOXING CIRCUIT (45 minutes or 1 hour)

The ultimate circuit class combining boxing drills, cardio and strengthening exercises. Designed to burn maximum calories in a fun group environment. Suitable for all levels.

CARDIO BLITZ (1 hour)

Blitz your cardio fitness with a high energy, interval training cardio workout. Mix it up each week with something different that will improve your fitness and fat loss by getting your heart pumping!

HIIT EXPRESS (35 minutes)

Too busy to work out? HIIT Express (High Intensity Interval Training) is the class for you! In minutes it will have you sweating, breathing hard, burning body fat while improving all areas of fitness!

HIIT CIRCUIT (45 minutes)

High Intensity Interval Training (HIIT) is a form of interval training, a cardiovascular exercise strategy alternating short periods of intense anaerobic exercise with less intense recovery periods. HIIT is the concept where one performs a short burst of high-intensity (or max-intensity) exercise followed by a brief low-intensity activity, repeatedly, until too exhausted to continue. Helps promote fat loss and improve mood.

MOBILITY FIT / MOBILITY MOVEMENT (45 minutes or 1 hour)

Mobility applies exercises that free up your body to give an improved range of movement. Using foam rollers, trigger point balls, bands and stretching, this class will release tight areas of your body and promote mobility. A great recovery session to add to your week.

PILATES (1 hour)

A workout designed to develop core strength and coordination. The focus of this class will be on traditional pilates movement patterns, the use of breath and correct body alignment.

PROPS PILATES (45 minutes)

A mat work pilates class that incorporates the use of thera-bands, fit balls, pilates rings and light weights to provide extra resistance and challenge the body.

RESISTANCE BAND TRAINING (45 minutes)

Use resistance bands to sculpt, tone and strengthen your entire body. Resistance bands help to properly engage your muscles using low impact movements. Ideal for everyone, from beginners to advanced, as well as those returning from injury.

STRENGTH (1 hour)

All the benefits of weight training using adjustable weights in a friendly environment, set to great music. All are welcome to this great strength builder class!

STRENGTH AND CONDITIONING (1 hour)

A dynamic class that combines a variety of weights, cardio and core training for a total body workout. You will be surprised with the amount of diversity in this class!

SUPER CIRCUIT (45 minutes or 1 hour)

A high intensity class combining boxing, steps, plyometric, body weighted exercises and strength exercises into one fast-paced, calorie crushing workout! A medium to high level of fitness is recommended.

SYNRGY360® (45 minutes)

A functional fitness circuit that offers limitless options for all fitness levels. Performed on the SYNRGY360® platform located on the main gym floor.

TABATA WORKOUT (1 hour)

Mix it up with Tabata Total Body System. Cycle through components of cardio, body weighted exercise and resistance workouts. Get maximum effect for maximum efficiency.

TRX® SUSPENSION TRAINING (45 minutes or 1 hour)

Every suspension training exercise builds true functional strength and improves flexibility, balance and core stability. Movements using the TRX integrate strength and balance into a single dynamic format that taxes the nervous system at a high level and maximises the benefits of body weight exercise for faster results.

YOGA (45 minutes or 1 hour)

Designed to enhance vitality and a sense of wellbeing, this workout helps participants improve flexibility, balance, strength and posture.

YOGA FLOW (45 minutes)

Yoga Flow is a dynamic style of class designed to build strength, balance and co-ordination whilst promoting flexibility.
